

Grant Master's Grant Readiness Checklist

Find out today if you're eligible to win grant funding for your organization

To be eligible for grant funding, you need to have over half of the items on the list. This helps you avoid any issues during the grant application process.

- Can you state the goals and objectives of the organization in clear, measurable terms?
- Can you describe who you serve (or plan to serve) with numbers and demographics?
- Do you have a mission and/or vision statement?
- Do you have a pitch deck?
- Does your organization have a website?
- Does your organization have a social media presence?
- Does your team members and board members have written job descriptions?
- Do you have or are able to compile CVs of team members under short notice?
- Is your organization registered with the federal government of your country?
- Does your organization have a board of directors or advisory board?
- Do you currently use a software, web-based solution or mobile app for your accounting?
- Do you have a corporate bank account in the name of the organization?
- Does the organization have a current, accurate financial statements?
- Does your organization have a tax clearance certificate?
- Do you currently evaluate (measure) your impact (or customer satisfaction) through surveys?
- Do you have a project that needs funding?
- Do you have or can you get the right staff for this project?
